

Mailbox Restrictions

The Restrictive Covenants for this subdivision require a standardized mailbox that will be furnished by the builder, Benchmark Homes, Inc. In the event a mailbox is installed that is not the standard mailbox, the developer has the right, but not the obligation, to levy a \$250.00 fine, and to remove the non-compliant mailbox and replace it with the correct mailbox. This restriction is in the best interest of the property owner and is a designed to improve the image of the subdivision and enhance property values.

Thank you for your cooperation.

Benchmark Homes, Inc.
